Objectives, Mission, Vision & Values

OUR OBJECTIVES

- To provide leadership to effectively and cohesively manage the development of policy, resources and personnel pertaining to operations of the Glenelg SLSC.
- Provide best practice lifesaving services.
- To develop, deliver and maintain best practice in education and training, including coaching and competition.
- To ensure financial stability and growth of Glenelg SLSC.

OUR MISSION

- Our mission is to promote beach safety awareness and professional water lifesaving standards and in doing so prevent injury and loss of life on Glenelg beach.
- We accomplish our mission through public education, preventative strategies, rescue, junior life saving programs, training programs, exchange programs, competition and other means.
- Glenelg Surf Life Saving Club will be proactive in embracing a leadership role in the education, preventive and rescue areas so as to provide support to, and be a valued partner to the members, community, families and the Club.
- Our Goal is 'To provide a safe environment to all beach visitors'.

OUR VISION

- Working effectively with the community and members to provide a positive and embracing Club environment for the development and benefit of tomorrow's future.
- To be successful in all aspects of our operations including Education, Prevention, Rescue and Competition.
- To be financially successful in all areas providing sustainable income streams to support all areas of the Glenelg SLSC.

OUR VALUES

- **Integrity**
We pride ourselves on the highest ethical standards, and our standards and processes will be of the highest quality.
- **Respect for People**
We value our diversity as a source of strength, and we are proud of Glenelg SLSC's history of treating people with respect and dignity, recognising that all are individuals.
- **Stakeholder Focus**
We are deeply committed to meeting the needs of our customers, being the members, families, community and other supporters (e.g. Government – state, local and federal), and we constantly focus on satisfaction.
- **Community**
We have an active role in making the community in which we operate a better place to live, learn and work, knowing that the opportunities we provide to members and the community has a direct impact.
- **Innovation**
Innovation is the key to improving and in doing so continues to meet the changing needs of the Glenelg SLSC and community.
- **Team Work**
To be a successful we know we must work together, frequently transcending boundaries to meet the changing needs of all.
- **Performance**
We aim for continuous improvement in our performance, measuring results carefully, and ensuring that integrity and respect for people are never compromised.
- **Leadership**
We believe that leaders empower those around them by sharing knowledge and rewarding outstanding effort. Leadership philosophies are embraced to achieve goals, envisioning what needs to happen and motivating others, resulting in tomorrow's leaders.

Notes

* Juniors range from 5 to 13 years of age

**SRC, IRB, Silver Medallion, Jet Boat Crew, Trainer

• During Patrol Hours

THE HIGHLIGHTS

1. Continued outstanding retention rate of our youth members transitioning from Junior Division to senior ranks.
2. Our under 23 women's boat crew "Grenades" swept all before them, with state and national championship gold medals, plus a host of other achievements including Australian team representation.
3. Junior division dominated medals in a revised scoring format state championship.
4. Record turnover yet again from our Bar and Restaurant
5. Completed implementation of our Child Protection program with focuses on WWCC (Working With Children Checks), with all active members completing their checks.
6. Leigh Bowbridge and David Hutchison attended their 50th Australian Titles representing Glenelg SLSC.
7. David Hutchison inducted into the Australian Surf Lifesaving Hall of Fame.

2022-23 Committees & Officers

LIFE GOVERNORS

Don Thomas
Ray Tredinnick (*dec)
Denis Wooldridge

PATRONS

*Patron Amanda Wilson, Mayor City of Holdfast Bay
*Vice Patron Stephen Patterson, MP Morphett

MANAGEMENT COMMITTEE

President Mick Billing
Deputy President Catherine McCarthy / Andrew Simpson
Secretary Neville Brookes
Treasurer Chris Dickinson / Leanne Rouvray
Captain Natasha Tunney
Junior Chairman Dave Visockis
House Manager Simon De Jong
Lifesaving Manager Rob Warne

LIFESAVING COMMITTEE

Lifesaving Manager Robert Warne
Assistant Secretary Georgia Sumner
Chief Instructor Amanda De Ieso
IRB Captain Josh Warne
Radio Officer Lachlan Larven
Medical Officer Dr Chris Haines

OPERATIONS COMMITTEE

Captain Natasha Tunney
Assistant Secretary Georgia Sumner
Competition Officer Anthony Merchant
Beach Captain Leigh Bowbridge
Board Captain Gabe Mangelsdorf
Boat Captain Gary Irvine
Ski Captain Steve Dalton
Gear Steward Shaun Armstrong

OTHER OFFICERS

Assistant Chief Instructor Iain Mitchell
Coaches Rhett Collie/ Bec Creedy
Sponsorship Officer Dan Demaria
U19 Captain Josh Warne
Social Media Officer Bella Jose
Mental Health Support & Advice Cath McCarthy
Club Registrar Alex Dickinson / Sally Bennett
*First Aid Dr Chris Haines
*State Council Delegate Mick Billing
*Honorary Auditor Nexia Edwards Marshall
/Damien Pozza
*Honorary Public Officer Neville Brookes

FINANCIAL OVERSIGHT COMMITTEE

Treasurer Leeanne Rouvray
Chris Dickinson
Elected Members Georgina Cole
Brenton Quimby
Appointed Members Paul Findlay

LIFE MEMBERSHIP COMMITTEE

Elected Members Denis Wooldridge (Chairman)
Elected Members Peter Armstrong
David Candy
Lisa Harvey
Appointed Members Steve Dalton

CONSTITUTION COMMITTEE

Peter Marshman
Barrie Wooldridge

BUILDING MAINTENANCE COMMITTEE

Peter Armstrong
Neil Binns
Doug Hayball
Peter Schenscher
Neville Brookes
Keith Stevens

JUNIOR COMMITTEE

Chairman Dave Visockis
General Members Matt Bartemucci
Jo Lunn
Sam Sutton
Scott Heywood
Alison Findlay

YOUTH DEVELOPMENT COMMITTEE

Youth Development Manager Andrew Simpson
Steve Dalton
Michael Dobie

* Appointed positions in accordance with the Constitution

BOARD OF MANAGEMENT REPORTS

Welcome to the Glenelg Surf Lifesaving Club Annual Report.

On behalf of the Board of Management, we present the 93rd Annual Report, along with the financial statements and balance sheet for the Glenelg Surf Lifesaving Club incorporated for the 2022/2023 financial year. The annual report captures the highlights and accomplishments of the year. As a bonus it also includes last year's results.

There are so many highlights in a wonderful volunteer organisation such as ours, and many things to celebrate. Primarily, we celebrate the successful patrols, and the rescues that have resulted in no loss of life on our beaches again this year. We were a finalist in the SLSSA Club of the Year at the Annual Awards of Excellence, with our chef winning for the second time in a row. We had some fabulous individual and team results in many competitions.

We started off the year with 121 Working With Whildren Check (WWCC) completed applications and we have finished the year with all members now registered with DHS and over 420 members having taken the time and maybe a little arm twisting from Sally Bennett who diligently made sure we complied by the end of 2022.

Further, a number of members were successful in winning patrolling and surf sport awards in their category. Congratulations to all, this is a significant achievement!

A few things that have been rolled out this year, one was a new website which whilst it has it's flaws and is a continual piece of work to get up to date and maintain currency it's a more streamlined way of perspective members or diners to interact with both the house and the club. We now have an online booking form that should reduce calls to the club. We rolled out the virtual suggestion box to enable members to suggest improvements, praise members, recognise members and ask questions to section leaders with the aim to improve communications, messaging to members and enhance the culture. It's a work in progress! We also recognise the amount of fundraising you all do whether that be for the 24 hr row, 24hr bike, the Ukraine Beach Day or the Clothes appeal. We also take many school groups through the club and educate the next generation on surf lifesaving. You all have big hearts and big wallets.

But most of all our gratitude goes to all of the members that volunteer their time in vast and varying roles, the place does not run without you all. The collective number of volunteers and the hours that are contributed are quite extraordinary. A lot of this is done behind the scenes where people do not notice. Our club has gone from strength to strength in both surf safety and surf sports, and that is due to the collective contribution of our members. Congratulations on another great year!

Neville Brookes
Secretary

President

Mick Billing

To all members of the Glenelg Surf LifeSaving Club. The 2022/23 season was one we made significant progress. While perhaps we didn't get everything right, our achievements were significant, and our great club is in very good shape.

The following is my brief summary of the 2022/23 season:

- Our core activity – again we had just over 200 members accumulating around 5,300 hours on patrol keeping our beach safe. It is very pleasing that this season was without a major incident, other than a near tragedy for one of our life members, however our continued vigilance is essential as we are always only a moment from potential tragedy. I would like to extend my congratulations and heartfelt thanks to Robert Warne, our LifeSaving Manager, and all our patrol captains and patrolling members whose collective culture has ensured that we continue to operate at a very high standard.
- We continued to train members and new members for their Bronze Medallions, Advanced Resuscitation Certificates, and other awards and also Surf Rescue Certificates for those younger folk who have predominantly come through the ranks of our very strong junior division. The contribution of Amanda de Ieso and her dedicated team of trainers and assessors has once again been outstanding.
- Our junior division this year was simply amazing. To win so many gold, silver, and bronze medals at junior club championships in March is an achievement which will not be matched for a very long time. And then to have seven, out of a possible twelve, of our juniors take out state surf sports awards over various age groups is a testament to Dave Visockis and his dedicated support crew of age group managers, coaches plus a host of others, who worked tirelessly to support our young athletes over the season.
- Once again, our retention rate of junior members transitioning to the patrolling group and senior club ranks was outstanding, as the team of people who put together a program to ensure these Young Guns continue and progress with our great club. Our record in this area over the past two or three years is the envy of so many other clubs.
- The implementation of our Working With Children Policy, I am very pleased to report, is now complete. I would like to extend my thanks, in particular, to Cath McCarthy who spearheaded this project, with both

determination and good humour, and also Sally Bennett who carried on this work. This was not a simple task, but member protection, and particularly child protection is, and must always be, ingrained in our culture.

- We have continued to operate our Bar n Bistro profitably, yet again with record breaking turnover. I would like to thank Peter Kerak and his team for the work they have put in to achieve this outstanding result. We have many loyal customers, and not just club members. That these customers keep coming back is a testament to the standard of service delivered by Peter and his team.
- Our Annual Financial Statements show that, while we carried out some capital and maintenance works of some note over the last year, as well as a significant investment on coaches to elevate our competition strategy, our cash position has held firm.

During the course of the year we amended our constitution to provide for our Life Saving Manager to be a full voting member of the board of our club. My view is that the board is significantly enhanced with the inclusion of the person who represents our patrolling members, and also our team of trainers, both groups who carry prime responsibility for our core business - beach safety.

This year your board also took advantage of an opportunity to engage professional coaches for our competitive members. Our strategy in doing this is to build upon the outstanding success of our junior division over the past few years and convert that, over a period of several years to the same level of performance in our senior and masters competitive ranks. We believe an enhanced coaching team and program will both enable this, and will also be successful in our efforts to recruit and retain members who will not just compete for the Green n Gold, but most importantly will add to the ranks of our patrolling teams.

This is my last report as Club President, and perhaps members will forgive me if I dwell briefly on the three years I been privileged to hold this role. There are a number of areas where our club is significantly better placed, including in areas where my contribution has been at best very small.

- We have implemented our Working With Children Policy, and initiative I am tremendously proud of and also enormously grateful to Cath McCarthy for implementing this.
- Our financial position has improved significantly, almost exclusively due to an increase of almost 100% in turnover in our Bar n Bistro.

Vice President

Andrew Simpson

- Our junior division has at a competitive level been the envy of all other clubs in the state.
- Our retention of young members transitioning from junior ranks to the senior club has been simply outstanding.
- The appointment of professional coaches is an initiative which, I believe, will generate a significant strengthening of our club – both in competitive outcomes, and also in members patrolling the beach

Many of these are, and will always be, a work in progress, however I am very proud that our club has made these advances.

In other areas, we still have much to do, particularly in areas of respecting one another, and it is with some regret that I acknowledge that I have not managed some conflicts as well as I may have hoped.

There are many people to thank in any organisation of volunteers, & we are no different. From those who were part of contributing over 5,300 hours of patrol time, to coaches and age group managers, to patrol captains and training teams, and those who worked on uniforms, sponsorship, carnival setup, BBQ & bar rosters, officiated at carnivals, and finally those who contributed on management, operations, junior & other committees, plus any that I may have missed, I would like to extend my gratitude.

Go Go Green n Gold

Mick Billing

President GSLSC

It has once again been a highly successful year for our Surf Life Saving Club. It takes all members to help achieve our goals and importantly keep our beach safe.

Having taken over from Catherine McCarthy in December 2022, I wish to acknowledge the significant efforts from Cath for strengthening our member protection and state that this year we have achieved all active members from Under 14 & above holding a Working With Children Check.

In terms of events and competitions, our club has once again performed exceptionally well, with many of our members achieving outstanding results in state and national competitions. We had two Youth members, Zach & Elsie who took home Australian medals and of course our U23 female surf boat crew, in particular, has had a highly successful year, winning several events and bringing great credit to our club.

We continue to apply & secure grants to allow us to purchase new equipment, such as manikins & other rescue equipment.

Our (delayed) 90th celebration of the club was a huge success. It was a wonderful night of history, storytelling and fun, and despite being a member for a long period of time I learnt so much I was completely unaware of. Thank you Tash, Bella, & Nev for your efforts in putting that together.

Finally, on behalf of the entire membership of Glenelg Surf Life Saving Club, I would like to express our deep gratitude and appreciation to Mick Billing, who has served as our President for the past three years and will be stepping down at the conclusion of this season. Mick has demonstrated exceptional leadership, dedication, and passion in guiding our club through many challenges and opportunities during this time. We are grateful for Mick's unwavering commitment, integrity, and enthusiasm.

Andrew Simpson

Deputy President

Treasurer

Leanne Rouvray

2022-23 has been another successful trading year with the Trading Revenue exceeding a whopping \$3.7 million; a new record high; and a growth of 27.7% on the prior year.

This is an exceptional result & we are very grateful to our hard-working Manger Peter Kerak, Head Chef Aaron Viray and their staff. Their dedication toward understanding the financial impacts of their decision making is invaluable. We are also very grateful to our loyal club membership base who support the club all year round, your continued patronage is highly valued.

This year along with the Increase in Turnover, we have seen a corresponding increase in our non-discretionary expenses.

- Employment expenses have risen by 34.5%, due to wage increases & increased turnover. This is an area that is carefully monitored; and will continue to be a focus in this challenging economic time; searching for areas where efficiencies & savings can be made. The club does continue to employ many junior members, which is always a very positive factor & maintains a strong link throughout our surf club and creates a strong sense of community.
- Cost of Sales increased by 29.5% from the prior year and while this has been broadly unavoidable, we did experience a short period during the year where there was a delay in reacting to the very rapid food and beverage price increases. This was due to both economic pressure and the Floods causing unexpected and sudden changes in food costs and delivery costs. We have now repriced and adjusted the menu to mitigate the increased costs and to ensure the menu has some more affordable and flexible options. We have a strong focus going forward to ensure our profit margins are maintained, and we will continue to monitor our expenses carefully & to pivot when needed in a timely manner.

This year, we realised a profit of \$122.3k before depreciation (compared to \$275.3k last year), This is a 55% drop in our profit before depreciation. This modest result is due to inflationary challenges & strong investment in our clubs operations. Despite a lower than desired profit position, our asset base remains strong with cash reserves increasing by \$38.7k & \$500k now invested in term deposits.

The club has continued to support our lifesaving, education and & competition endeavours. Some of the more significant costs this year include:

- New Boat Hercules 3 \$35k
- Security & Access control system \$17.1k
- New merchandise has arrived in preparation for next season. \$30.6k
- New Ski's \$16,854
- Repairs and Maintenance Building \$120k (compared to \$87.7k last year)

(I would also like to acknowledge Gary Irvine for his work in coordinating the fundraising of \$22.5k to contribute toward the new boat. I would like to see fundraising become a bigger focus for our other sporting divisions in the coming year.)

Two other expenditure items need to be acknowledged:

A significant & new cost introduced this year is for our paid coaches. Rhett and Bec commenced coaching in October. This meant they missed preseason so the cost to the club was \$30.6k out of an original budget of \$40k. The value add to the club was significant, with high youth retention rates, strong competition results and strong development across the junior and youth ranks. The feedback and buzz around the club has been fantastic.

Another significant cost to the club with a corresponding direct value to members is Competition Costs of \$40.8k for the financial year. Competition costs are an area that few other clubs fund, and we should be very grateful for the support this year. I am proud of our club's commitment to our surf sports program.

Thanks for reading, and please be assured that going forward we will endeavour to deliver outstanding service and value to our members, whilst also being committed to improving our financial performance.

In closing I would like to thank the Financial Oversight Committee of Mick Billing, Brenton Quimby & Paul Finlay who have been very supportive & offered their invaluable advice as I worked through the challenges of taking over the treasury role mid-season & Jo DeBlasio our bookkeeper who has been fantastic to work with and so helpful.

Lee Rouvray
Treasurer

Lifesaving Manager

Rob Warne

I am pleased to report Season 2022/23 passed without a major incident at Glenelg Beach with our Members completing over 5,300 Patrol Hours protecting the General Public and assisting with Special Events.

This season saw the introduction of a short and long patrol option which allowed Members to choose what suited their personal circumstances. The feedback on this change has been positive and this model will be carried forward next season.

Several Long Service Members returned on a "job share" basis to boost patrol numbers and we are hoping more of our experienced long serving Members will consider a return to patrolling on a similar basis.

Our Bronze Junior Parents/Age Group Leaders formed a 6-hour patrol and completed patrols in the first half of the season before the training and competition schedule took over most weekends.

One of the ongoing challenges remains getting swaps and subs and we ask Proficient Members to offer their assistance; particularly towards the end of the season when Carnivals and interstate Competitions ramp up. We also ask members to plan ahead and organise subs/swaps in advance to ensure we meet our contract obligations with Surf Life Saving SA.

As always, many people work together and behind the scenes to ensure we deliver on our Lifesaving commitments. My personal thanks go to the following people.

Amada De Ieso – for leading our Team of Trainers who not only bring new Members into our ranks but ensure existing Members are upskilled on changes and complete their annual proficiency.

Dr Chris Haines – tirelessly maintaining and restocking our First Aid equipment on a weekly basis.

Josh Warne – maintaining our IRB fleet and assisting with Special Events, etc.

Lachie Larven – managing our communication equipment and liaising with SURFCOM.

Dee Armstrong – ensuring the manual Logbooks used to record Water Safety hours are uploaded into the Surf guard system.

Peter & Shaun Armstrong – maintaining our vehicles to ensure they are Rescue Ready.

There are other Club members who also assist with various tasks around the Club, and we thank them for the support.

During this off season we are looking to increase our pool of IRB Drivers/Crew and upskill more "Bronzies" to hold the Advanced Resuscitation Award as these skills are vital to maintaining and expanding our Patrols.

Rob Warne
Lifesaving Manager

Club Captain

Natasha Tunney

The 22/23 season proved to be a highly productive period for our operations team, surpassing expectations and achieving remarkable results. With the support of 19 dedicated members over the course of nine months, our operations committee successfully logged an impressive total of 93 actions in our register, leaving only seven actions still in progress. The unwavering commitment, time, and effort invested by this team were truly unparalleled.

Our operations committee serves as a collaborative force, uniting the essential pillars of our club, including lifesaving, sports as well as merchandise, sponsorship, and social media. Working together collaboratively, we continuously strive to enhance all aspects of our club, ensuring an unforgettable experience for members of all ages, enticing them to return season after season.

A significant focus of our efforts has been the development of our online merchandise store, which is set to launch in the near future. This platform will not only offer a wide range of clothing and merchandise but will also serve as a convenient avenue for visitors to make purchases while enjoying our dining facilities upstairs. I extend my heartfelt appreciation to Dee Armstrong and Benn Finlay, who collaborated with me on the designs and shared invaluable advice from their extensive merchandise expertise.

Furthermore, we have made noteworthy improvements to our infrastructure, replacing the aging fob system and alarm system, as well as installing new electric roller doors in the boat shed downstairs. In the coming year, we plan to replace the IRB door, completing the roller door renovation process.

Additionally, the gym has been equipped with two new items: a ski ergo and a fifth rowing ergo, to support the boat section, which boasted an impressive 11 crews on the water this season. I extend my gratitude to the building committee for their unwavering support throughout the season, including obtaining quotes and conducting maintenance on various club items. Moreover, Keith's return from overseas will see further expansion of our gym mirrors, thanks to the dedicated efforts of the building committee.

In terms of fundraising, we kicked off the season with an exceptional achievement, raising \$10,000 during the Gotcha 4 Life 24-hour row event. Combined with last year's efforts, we now have \$16,000 in the Gotcha 4 Life bank, designated for mental health programs. On August 12th, we will conduct our first session, where 44 members will gain Mental Health First Aid Accreditation. Furthermore, our youth will engage in a "Let's Talk" session, facilitated by Man Anchor through Gotcha 4 Life. As the season progresses, we plan to hold additional sessions for members aged 13 and above, equipping them with essential skills to navigate the challenges of today's society. We also contributed to other community groups' fundraising endeavours by offering financial support, organizing club BBQs, and providing equipment for beach activity days.

This season, we welcomed Rhett Collie and Rebecca Creedy to our coaching team, whose positive influence has been evident in the progress of the athletes under their guidance. In addition to enhancing the existing skills of our athletes, they have also upskilled our current coaches and played a crucial role in team selection for state titles. I eagerly anticipate their continued presence as we strive to rebuild

House Manager

Simon De Jong

our sports team, ultimately strengthening our overall lifesaving team by cultivating a group of highly capable rescue-ready members.

Undoubtedly, the highlight of the season was the long-awaited celebration of our club's 90th Anniversary. The festivities commenced with the unveiling of our newly named surf boat, a tribute to club legend Don Thomas. The traditional boat christening ceremony provided our junior members with an inspiring spectacle. Subsequently, past and present members gathered upstairs to embark on a nostalgic journey through our club's history, immersing themselves in the donated and sourced memorabilia. Personally, reading the inaugural minutes of our surf club was an unforgettable experience, reflecting on our humble beginnings. The evening continued with guest speakers sharing their cherished memories and humorous anecdotes from bygone eras. Witnessing the reunion of members spanning several decades was truly heart-warming. I extend my gratitude to Bella for her assistance in setting up the displays, as well as to the other members who graciously contributed their time as guest speakers. Above all, my sincere appreciation goes to all those who attended and made the day an overwhelming success.

Lastly, I would like to express my thanks to Georgia Sumner, Secretary of the Ops committee, whose exceptional organizational skills has made things easier this season. I also extend my thanks to Bella, our dedicated social media specialist, for diligently keeping both members and the public updated on our club's activities. Your commitment is invaluable, and I recognize the substantial time and effort required to fulfill your roles. We are truly fortunate to have such devoted members among us.

As I reflect on the achievements and milestones of the 22/23 season, I am filled with immense pride and gratitude for the remarkable teamwork, dedication, and support that have propelled our club forward. I eagerly look forward to the future, where we will continue to strive for excellence, providing our members with unforgettable experiences and fostering a vibrant and inclusive community.

Natasha Tunney
Club Captain

With an awesome team ably led by Peter Kerak and Aaron Viray, the Surf Club restaurant, bar, and functions have had another remarkable year of patronage and revenue.

We have taken a further step in recent years with less reliance on our members to generate revenue, as Locals and those outside the postcode 5045 have discovered the hidden secret we have all known for years - quality food, amazing views, and amazing atmosphere!

Our amazing team was recognized at the 2022 Clubs SA Awards for Excellence in mid-October, when we were finalists for an amazing 10 awards.

- Grassroots Sport
- Outstanding Community Service
- Environment Awareness
- Chef of the Year – **WINNER** – Aaron Viray
- Employee of the Year – Bella Jose
- Best Bar Environment
- Best Dining – Café/Bistor
- Best Function/Event Venue
- Sporting Club of the Year
- Club of the Year - Large

The challenges of rising costs for goods has certainly been difficult to navigate, but the team has been able to handle them well and continue to bring in impressive sales as we recorded another record year on Sales being up circa \$700k from previous year.

Some of the Capital works done over the past year included the upgrading our Point-of-Sale system, resurfacing the kitchen floor, new upright freezer, new oven in the kitchen and most importantly A/C system for the keg room to keep the beer cold!

Aaron and his team continue to present fantastic meals at affordable prices with an ever-evolving menu with new and exciting food offerings. It is clear that the Surf Club is really committed to providing a top-notch experience for all its patrons.

Here is to another great year ahead!

Simon de Jong
House Manager

Junior Chairman

Dave Visockis

Juniors at Glenelg Surf Life Saving Club had an exceptional 2022-2023 season, with a focus on club culture, widening our competitive scope, and providing our nippers with the best equipment and training programs available. Their dedication to continuous improvement and putting the success of the club first led to numerous accomplishments and accolades throughout the season.

The "Club First" focus was even more evident this season, as numbers increased at specialized training sessions, meaning long days on the beach, all in the pursuit of success and experience. The club remained dedicated to our goals, competing in both branch and state carnivals while also branching out into new areas such as Rescue and Resuscitation events.

Our excellence in development of nippers into patrolling members continued this season, with 100% of last season's u13 group going on and completing their SRC.

Water cover was a vital aspect of the club's training program, requiring large numbers of award holding members in the water. The instructors played a significant role in ensuring all award members were proficient for patrol and water cover requirements. Our team of instructors have also led the continued improvement Surf Education program, ensuring all our nippers recognise the core purpose of what they do on the beach, in the hope that one day they graduate to become patrolling members.

The junior committee worked tirelessly throughout the season, planning, adjusting, and debating numerous topics and proposals for the benefit of the club. Their efforts were instrumental in achieving the club's success, and their dedication and hard work are greatly appreciated.

Glenelg Surf Life Saving Club's nippers trained harder and showed a level of dedication and commitment that set a new standard. Their 'Club First' focus, along with that of the coaches, AGMs, and parents, led to numerous accomplishments and accolades throughout the season, including leading the medal tally at the end of the State Championships weekend. Despite changes in the awarding of Junior State Titles, the club remains committed to embracing any changes and growing as an organization in whatever format they are presented with. The club's dedication to success and continuous improvement ensures that they will continue to achieve great things in the future.

Congratulations again to our junior committee, coaches, AGMs and nippers for the competitive success of 2022/23 and thanks again to our water cover personnel and parents for your stoic support.

Dave Visockis

Junior Chairman

OTHER REPORTS

Constitution Committee

Peter Marshman &
Barrie Wooldridge

Fellow members, this is the last time I shall be reporting to you as the Chairman of the GSLSC Constitution Committee.

Advancing age has taken an increasing and frustrating toll on what I consider to be the two most important personal attributes needed to effectively fulfil the task I have been performing for these past twenty two years. mental acuity and stamina.

I have now, very reluctantly and with genuine regret, come to the conclusion that it is in the best interests of GSLSC that I step down from all official roles.

This decision has been, to some large degree, prompted by the work the Constitution Committee has undertaken over the past year which has been focussed on developing By-Laws to deal with increasingly contentious matters such as the Use of Social Media and Complaints Resolution.

In particular, the SLSA Policy which details the way Complaints Resolution must be managed (and by which GSLSC is bound through its affiliations) is extraordinarily lengthy and complex and, in several areas, is confusing, somewhat contradictory, and, occasionally, just wrongly worded.

In our efforts to draft a By-Law which rectifies these anomalies and provides more clarity of process, answers to a raft of questions have been sought by your Constitution Committee from the SLSA General Counsel. At the time of writing this report we are still awaiting a response, and notwithstanding our looming retirement, Barrie and I are committed to ensure that the final draft is completed and presented to The Board 'on our watch'.

Having now referred to Barrie's pending retirement as well as my own, I have taken the somewhat unusual step of asking him for a personal contribution to this report. Given the enormous contribution he has made to the work of the Constitution Committee, I felt that it was right and proper that Barrie should be allowed to make his own retirement announcement.

Hi folks

When Peter provided me with just the first half of his draft Report it struck me that more should be added by me to highlight to fellow members the immense personal contribution by him in relation to our Constitution in his very formative role as Chairman of the Constitution Committee over the last 22 years in moulding,

restructuring, creating, legalising, writing, advising and generally all things Clauses and By-Laws. So, please allow me a certain indulgence as I list below what I remember of our main achievements under Peter's scholarly input so crucial in keeping pace with today's world of changing rules by Government, SLSA and SLSSA's Legislation, Regulations and Policies.

- **Full Revisions of Constitution (Clauses and/or By-Laws)** - 30/7/10, 17/3/17 and 16/5/22
- **New Clauses** - Financial Oversight Committee, and Conflict of Interest (Employees).
- **Rewrite of Clause** - GSLSC Colours/Uniform/ Logos/Badge.
- **New By-Laws** - Youth Development Officer, Financial Oversight Officers, Authorised Delegate (Safeguarding Children, Child Safety Officers, Club Chaplain, Conflict of Interest, and Retention of Records.
- **Revision of By-Laws** - Junior Activities Committee, and Life Membership Committee.
- **Complete overhaul of By-Laws** - Patrols, Competition, and Touring Team.
- **New By-Laws (in draft stage)** – Use of Social Media (submitted to the Board 2/2/23 – amendments recently proposed by Board), and Complaints Resolution Policy (waiting on SLSA's 'legal' input).

I am absolutely delighted that Peter and I have worked as a close-knit team during my 17 years on this Committee and it is therefore fitting that we step aside together. There have been many challenges thrown at us during these years (but more so recently!)– but with Peter shouldering the far greater burden we always found a way through the mine fields such that I believe we are leaving behind a Constitution that is contemporary, far easier to read and interpret, and (hopefully) consistent with requirements.

Barrie Wooldridge
Constitution Committee

Barrie has quite rightly noted that the environment in which we conduct our activities is subject to ever changing rules and regulations. We at GSLSC are formally bound by both Statue law and our National and State affiliations and we must ensure that the guiding formal bedrock of our activities, our Constitution and By-Laws, reflect these changes. This will remain a continuing challenge for those who follow in our footsteps.

As I have noted previously, Constitutions and By-Laws are those things which only tend to attract general member interest when 'things go pear shaped', but they are, and remain, critical to the proper, effective, and legal governance and management of the activities of our Club.

The disturbing increase in the litigious and combative nature of our society, extending sadly in some cases to personal relationships, only serves to highlight the importance of a sound formal framework on which our Club functions and personal interactions are based.

In doing our Constitutional work over the past years, attention to fine detail, an ability to research broadly and to consult widely, and a focus on practical, logical, consistent and 'user-friendly' outcomes, have been the self-imposed standards by which Barrie and I have operated.

We have also been very conscious of the need to always act as 'servants of the Club and the Board' and to resist any temptation to become the arbiters of policy or procedures.

I commend these criteria to those who will be bold and committed enough to take up the burden of the work of the Constitution Committee in the future. Difficult, confounding and frustrating as it may be from time to time, I can assure you all that this important (but sometimes thankless) task brings with it the rewards of great personal satisfaction.

At this point I should note that, notwithstanding our proposed gallop off into the 'Constitutional Sunset', both Barrie and I stand most willing and available to provide totally non-judgemental assistance, advice and/or counsel to any who would seek it in the future. I think the oft used phrase (usually reserved for grandparents I believe), of 'all care and no responsibility' sums it up nicely!

As I come to the concluding stages of this, my last report, and as I have consistently done previously with very good reason, I have great pleasure in again publicly acknowledging the incredible contribution made by Barrie Woodridge to the work of the Constitution Committee.

His erudition, attention to detail, research and editing skills, and an almost uncanny knack of knowing just when to become an invaluable sounding board, have made my job so much easier than it would have otherwise been.

One lesser known but important role of the Constitution Committee has entailed the provision of opinions and advice on the application of the Constitution and/or By-Laws to a

variety of circumstances in which the Club and its Officers have found themselves from time to time. Barrie's input in this area, particularly in relation to the development of appropriate and well-structured agendas for General Meetings (to cite but one example) has been of real significance.

Although at times anyone eavesdropping on some of our discussions might find it hard to believe, it has been a genuine pleasure to work so closely with Barrie, and I remain ever-grateful for his assistance and friendship over such a long period.

Finally, on a closing personal note, let me say that to have been able to meaningfully contribute to the well-being of our great Club over the past twenty plus years, albeit as something of a 'backroom boffin', and to have enjoyed the continuing confidence of many GSLSC Presidents, Officers and Boards, has been both a privilege and a pleasure.

Peter Marshman
Constitution Committee

Chief Instructor

Amanda De Ieso

Wow what a year.

This has been my last season as Chief Instructor. Over the years there has been many highs and a few lows along the way. I have met and trained some amazing people who have become assets to the club. It is always great to see these people giving back to the community by patrolling and helping out. Its' why most of us trainers keep training, I think. I have also formed many friendships and have some friends I now count as family.

Being a trainer with surf has given me a lot personally. It has given me the skills to teach at a commercial level and expand my job prospects. It has given me the confidence to strive for more with my skills and knowledge. It has allowed me to meet some amazing people from other clubs. I have to thank Suzie and Lisa for believing in me and encouraging me. I also want to thank my amazing team of trainers. Without the team we have at Glenelg we wouldn't be able to continue as a club. The skills and knowledge passed on allows us to patrol the beaches and be a club, to help and give back to the community. Education is one of the cornerstones of surf live saving. I hope it is continued to be valued for its importance in this club. I will still continue to train and assess at the club.

This year would have to have been the most difficult as Chief Instructor for me personally. We have had a tumultuous year. The club has been unstable. I hope the coming season brings some stability and peace back to the club.

All the trainers and assessors started our season early when we attended the two-day Education conference. The conference is run by the education team at surf house. The days are spent learning and updating skills. It is an important part of being an educator in surf. This makes sure that all of our trainers and assessors have the most updated skills and knowledge so we can pass it on to our members.

We started our training groups in October.

Surf house offered two separate SRC to bronze courses that three of our members did. I was involved in both courses. Sarah Schenscher also came down to do assessments for the second group.

Our SRC's completed their course at this time as well. We trained and assessed 12 new SRC's. They did a great job in trying conditions. Kirstin and myself took the group.

The next course that was run was the first bronze squad of the season. David and Iain took them though. We had

All Awards Achieved 2022/23

seven new bronzes complete the course. Thank you to Daryl Burrows for providing water cover and helping out.

We also ran an Advanced Resuscitation Course which updated 15 of our members to the new award. Thank you to Suzie and Sarah for running the course.

During this time proficiencies were being run. We separated the dry and wet this year so we could start earlier. Also adding some evening sessions. To hopefully finish earlier. As always, there are some that leave it to the last minute. Meaning it didn't change much. On average our trainers were doing 8 hour shifts a day to get proficiency done when they were rostered. We all did multiple shifts over multiple weekends and evenings. Thank you to the delegates who help out over proficiency time as well. You are truly appreciated.

In the month of October our trainers clocked 86 hours, November was 60 hours. This is not all the hours actually done by trainers. This is only the hours that were added to clockify an app that a few of our trainers are trialling.

The trainers and assessors give so much to the club. Time is one but a lot of us give our hearts. We are invested in our students and want to see them do well. Training is not an easy job. You are dealing with lots of different personalities and drama. Especially in a volunteer organisation.

So as always, a big **THANK YOU** to the trainers and assessors who make up the education team at Glenelg. You have kept me sane and allowed me to do my job as Chief Instructor. I hope I haven't terrorised you too much 😊

Competition Officer

Anthony Merchant

Surf Season 2022/23 has seen several highlights in the Competition area.

Firstly, we had a number of members selected in the Surf Team League series – Eloise Merchant, Jack Martin, Ben Smith, Steve Dalton (and coach of team), Lachie Larven, Nate Lessue, as well as surf boat crew Glenelg Gunnel Runners.

State Representatives this season were Lachie Larven, Angus Humphris, Jack Travers and Poppy Doyle.

Glenelg had many athletes compete at all carnivals over the season culminating in State Championships. We had a number of place getters, and listed are the gold medalists.

Tony Dalton (TD) in the open surf board mals, U15 2 x 1km run – Ava Needham/Summer Hudswell, U15 board – Summer Hudswell, U15 Cameron Relay – Tyson Dobie/Ollie Mansell/Jack Travers/Zac Tucker, U15 Board Relay – Summer Hudswell, Ava Needham, Poppy Doyle, U15 flags and sprint double – Jack Mitchell, U15 surf teams Kai Renfrey/Zac Tucker/Finnian Sandercock/Jack Travers, U16 2km run – Claudia Tucker, U17 NGS Beach Relay – Angus Humphris/Kalia/Mitchell DeJong.

As you can see the club has a large influx of youth competitors coming through, which also boosts our patrolling numbers.

Masters also have a great States with the following gold medalists.

2 x 1km run – Leanne Rouvray/Malcolm Stevens, 150 ski relay – Craig Burton/TD/Steve Dalton, 170 ski relay – Mick Billing, Andrew Renfrey, Steve Limmer, 180 surf boats – Amelia Cullen/Evette Stock/Gina Bell/Tash Tunney, 230 Beach Relay – Leigh Bowbridge, Malcolm Stevens, Damian Fox, David Hutchison, 230 NGS Beach Relay – Bowbridge/Elson/Hutchison/Rouvray, Long and short board – TD, Board Rescue – Elson/Tunney, NGS Double Ski – Elson/Dalton, 2km run/Board/Iron and Ski – Amanda Elson, single ski – TD, beach sprint – Leanne Rouvray, Double Ski – Craig Burton/Tim Lepley, single ski – Craig Burton, 1km run and beach sprint – Malcolm Stevens, Flags – Hutch, Beach Sprints – Bowbridge.

Overall both Opens and Masters came 6th.

Thank you to our small band of officials - Pat Larven, Marie Merchant, Brenton Quimby, Gordon Clifford, Nickole Armstrong, Paul Humphris, Aaron Billing, Tash Tunney, Cindi Tucker and Gary Irvine.

Also, to our coaches – Leigh, Hutch, Pete Sage, Leanne, Rhett Collie, Bec Creedy and Steve Dalton.

And to the Young Guns coordinators Andrew Simpson, Michael Dobie and Steve Dalton.

Anthony Merchant

Competition Officer

Ski Captain

Steve Dalton

We spoke about a resurgence of the ski team; this was achieved by the expert coaching from Bec Creedy and Rhett Collie on Tuesday and Thursday Nights and Craig Burton in the mornings and Saturdays.

A large group attended training on occasions nights and we thank them very much, looking forward to a big off-season training with them. A Big welcome back to Amanda Elson who came away with a lot of State and Aussie Masters medals.

We ran development ski training from June on Tuesday and Thursday night where new paddlers particularly from the Young Guns learnt the fundamental skills of paddling in our training facility on the Patawalonga. From this ,we had Lachie Larven, Max Humphris and Kalia Kerakova take part in their first State Championships both in double ski, mixed double ski and U16 men's and women's ski. Lachie came away with a silver and Max and Kalia both creditable performances.

Congratulations to Craig Burton who won back-to-back "Gold" at the Aussie Masters in the 55-59 this year's men's at Scabro WA. Craig teamed up with Shane Daw in the double ski and Mick Billing in the ski relay.

To add to this, Craig as our Senior Ski Coach, has had a great year writing the senior/ masters training program. Super Saturday mornings also included the who's of who of paddling with the best SA paddlers participating in Craig's ski sessions. Many went onto win at State Championships and making Open National Finals. Our masters ski group, dominated at the Masters States and all made finals. The 150-ski relay team of Craig, Tony and Steve won their relay, and the team of Andrew Renfrey, Mick Billing and Shane Limmer won Gold at Glenelg Beach.

Eloise Merchant came home strong in the Women's ski, and teamed up with Amanda Elson the Women's Double Ski. These paddlers backed up and also finished 4th in the Open Women's Ski relay with Ellie Johnson.

Big thanks for Merch for organising the Aussies, and getting our gear over there safely, also with Andrew driving solo to get there – thank you. Thanks to the SLSC's management for their support of the paddling program, and assistance with our training shed at the Pat.

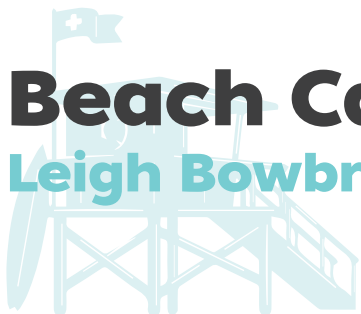

Youth Ski training group:

A great group of U14/U15's paddlers have paddled through winter learning the skills of paddle stroke, boat set up, and wave catching. As they got their balance, they gained wave skills and K1 skills. Congrats to Mitchell, Kalia, Grace, Harper, Max, Eamonn, Lachie, Jack Travers, Zach and Toby, and Mick Billing for assisting.

Steve Dalton

Ski Captain

Beach Captain

Leigh Bowbridge

ANNUAL REPORT BEACH AREA

ELSIE PARSONS GOLD MEDAL (1st) UNDER 13 BEACH SPRINT (Australian Titles 2023)

THE FIRST GOLD MEDAL FOR AN INDIVIDUAL COMPETITOR FROM OUR SENIOR CLUB AT AN AUSTRALIAN SURF LIFE SAVING TITLES. (with exception of the Masters Competitors)

At the Australian Surf Lifesaving Titles we only had, Elsie Parsons & Jack Mitchell as competitors from the senior club who competed in the Beach Area. Elsie won a Gold Medal for the U13 womens sprint and she was unlucky not to make the U13 womens Flags final and Jack competed in the U15 mens flags where he was unlucky not to make the final and did well in the U15 mens the sprint.

At the Australian Masters Titles in the Beach Area, Malcolm Stevens came 1st in the 1k run his age group, David Hutchison 3rd in the Sprint and 1st in the flags for his age group.

The beach area requires more competitors for beach events. Any new members who are interested in competing in the beach area just rock up at the training times which will be on facebook.

There will be a different format for some of the beach carnivals this year together with some standard carnivals as well.

RESULTS STATE TITLES BEACH AREA

U15 Female 2 x 1km Beach Run Relay	Hudswell, Needham	1
U15 Male Beach Flags	Mitchell, Jack	1
U15 Male Beach Sprint	Mitchell, Jack	1
U16 Female 2Km Beach Run	Tucker, Claudia	1
U17 Female Beach Relay	Vivar-Hayes, Perkins, Reid, Kerakova	1
U17 NGS Beach Relay	Humphris, Kerakova, de Jong, Perkins	1
U14/U15 Male Beach Relay	de Jong, Humphris, Mitchell, Simpson	2
U15 Female 2Km Beach Run	Hudswell, Summer	2
U15 Male 2Km Beach Run	Tucker, Zachary	2
U15 Male Beach Sprint	Humphris, Angus	2
Open Female Beach Relay	Griffiths, Nixon-O'Brien, Perkins, Rouvray	3
U14 Female Beach Sprint	Needham, Ava	3
U14/U15 Female Beach Relay	Hill, Pannell, Sulicich, Hudswell	3

U14/U15 NGS Beach Relay	Hill, Mitchell, Humphris, Pannell	3
U16 Female Beach Sprint	Tucker, Claudia	3
U16 Male Beach Sprint	Humphris, Maximilian	3
U17 Female 2 x 1km Beach Run Relay	Kerakova, Tucker	3
U19 Female Beach Relay	Kerakova, Rouvray, Tucker, Pannell	3
U19 Male 2Km Beach Run	Irvine, Mitchell	3
U14 Male 2Km Beach Run	Tucker, Axel	4
U15 Male 2 x 1km Beach Run Relay	Tucker, Tucker	4
U15 Male Beach Sprint	Simpson, Lachlan	4
U19 Male 2Km Beach Run	Bussenschutt, Ben	4
U19 NGS Beach Relay	Rouvray, Tucker, Mitchell, de Jong	4
Open Female 2Km Beach Run	Roe, Siobhan	5
U16 Female Beach Sprint	Kerakova, Kalia	5
U19 Male 2Km Beach Run	de Jong, Aidyn	5
U14/U15 NGS Beach Relay	Hudswell, de Jong, Simpson, Sulicich	6
U15 Male Beach Flags	Humphris, Angus	6
U19 Male Beach Relay	Humphris, de Jong, de Jong, Mitchell	6

The Masters were not very well represented in the Beach Area at State Titles due to the poor scheduling of the beach events on the Sunday of the long weekend after junior & senior beach events on Saturday & Sunday, The members who competed came away with a good results. Special thanks to the ladies that competed in the Beach Area and hopefully we will have more competitors next seasons.

Thank you to the coaching panel this year which consisted of myself, David Hutchison, Lee Rouvray, Peter Sage & Malcolm Stevens which made it possible to provide coaching to the Juniors Seniors and Masters on weekends and during the week.

We will continue to provide the option for any members who wish to compete in Professional running (at competitions run by SAAL) as well as beach events for surf life saving in the coming season as we did in this season. (It is not compulsory to do professional running if you only wish to run on the beach)

I am a Professional coach registered with the SAAL. This can enable anyone who wants to run professionally as well as on the beach to do so with a minimum of fuss & we can intergrate relay baton training, flags and running training in one program.

MARCH PAST STATE TITLES

This year the Under 23 March Past came first at the State Titles and the open team came 3rd. Thank you also to all those who marched at the State Titles. And lets see if we can have an under 23 and an open march past team compete at next years Australian titles.

The Under 23 March Past team consisted of Airlie Rouvray, James Ganley, Edward Ganley, Aiden De Jong, Mitchell Irvine, Belle Jose, Maximilian Humphris, Lily Porter, Nicole Brookes, Joshua Warne, Maggie Mangelsdorf, Grace Martin. (Coached by Leigh & Helen Bowbridge)

The open March Past consisted of Melinda Humphris, Maree Merchant, Tamar Allner, Leigh Bowbridge, Peter Schenscher, Kirsten Tocker, Carol Clunes, Helen Bowbridge, Niki Brookes, Gordon Clifford, Michael Billing, Kathy Roberts, making up the team. (Coached by Leigh & Helen Bowbridge)

Unfortunately, we could not get enough competitors to compete at the Australian Titles this year but we hope to have an open & under 23 team on the Sunshine Coast next year at the Australian Titles.

Leigh Bowbridge

Beach Captain

This season has been a quieter year for the IRB Section with a reduced number of Special Events to cover. Nonetheless, IRB's were available for all patrols and Saturday Nipper sessions, as well as special events and carnivals.

Thank you to all those members who volunteered to sit in a duck and we're hoping more members will "put their hand" up to assist next season to give our regulars a well-earned rest.

I am pleased to report that there were no major problems with any IRB equipment this season. With a few minor repairs required for some of our older equipment it was great to be able to sell our last old Achilles IRB and oldest motor. The proceeds from this sale allowed a new motor to be purchased which will, be operational next season. A grant from the Beach Equipment Safety Fund was secured which will facilitate another ageing motor to be replaced over the off season. We also purchased a new training manikin to be used for IRB training to foster safer training.

Before the season commenced 3 Clubbies achieved their IRB Driver Awards; congratulations to Gabe Manglesdorf, Nicholas Brookes and Fraser Vine. A big thankyou to our trainers David Candy and Dave O'Saughnessy.

Driver and Crew training will recommence in the off season which will hopefully see more drivers and crew qualified. Thank you all for a great season.

Josh Warne

IRB Captain

Boat Captain

Gary Irvine

The Boat Section had another wonderful season capping off a stellar year with our U23 Female Crew, Grenades winning Aussie Gold at Scarborough WA.

This year we fielded 3 junior crews – U19 Male, U23 Male and U23 Female, 1 Open Female Crew, 2 Male Reserve Crews, 2 female Reserve Crews appearing across various carnivals. We had 5 crews compete at Masters State Titles and 7 crews compete at State Titles.

We purchased our new boat 'H3' named after club stalwart Doug Thomas. We are so grateful to our sponsors and donors who made it all possible – Visualizm, Link Up, Garden Needs, Adelaide & Rural Salvage, Dr Chris Haines, Irvine Family, Tidswell Family and Majeric Family.

Year of the Grenades – U23 Female (Taleala McCarthy, Madi Fielke, Ella Borlase, Siobhan Roe, Sweep Peter Tidswell). The Grenades became the premier U23 Female crew in Australia. As a club and boat section we are all so proud of their achievements. Here is a list of this season's achievements in chronological order;

02/12/22 - **Won** the U23 AUS team trials @Queenscliff

04/12/22 - **Gold** 2022 Australian Short Course Championships U23 @Queenscliff

04/12/22 - **Silver** ASRL Mixed Championship U23 (Madi + Shiv, paired with Zac Lowery + Tremayne Chivers from South Curl Curl Underdogs)

04/12/22 - **Bronze** ASRL Mixed Championship U23 (Ella + Tilly paired with Tasman Farrell + Harry Andrew from South Curl Curl Underdogs)

23/01/23 - **Gold** U23 South Australian Short Course Championships @Glenelg

23/01/23 - **Bronze** Open Women South Australian Short Course Championships @Glenelg

04/02/23 - **Silver** Trans-Tasman Surf Boat Challenge Development Team (As it was a point score between both them and the boys the girls came second but if it were on individual performances they would have won against other female crews) @Waihi Beach

04/02/23 - **Silver** U23 North Island Surf Boat Championships (Crew that came first represented NZ in open women but are in fact U23) @Waihi Beach

05/02/23 - **5th** in the Champion of Champions Surf Boat Challenge (Only female crew to make final, and didn't come last) @Waihi Beach

10/02/23 - **3rd** overall Surf Boat Interstate Championships @ Bulli Beach

11/02/23 - **Bronze** U23 ASRL Open @Bulli Beach

05/03/23 - **Gold** U23 South Australian State Titles @Moana

05/03/23 - **Silver** Open Women South Australian State Titles @Moana

05/03/23 - **Gold** Surf Boat Relay with Gators + Bucket Heads @Moana

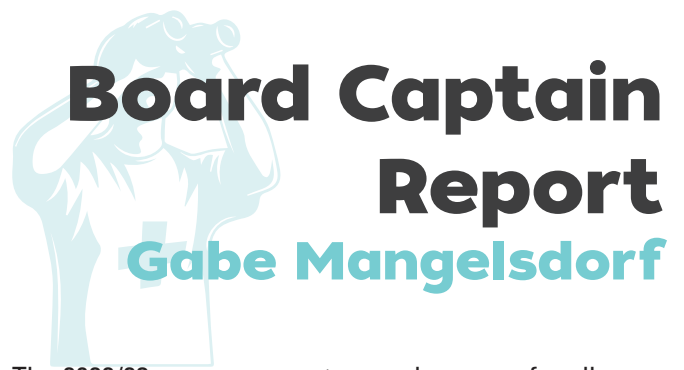

02/04/23 - **Gold** Australian Surf Life Saving Championships @Scarborough

Congratulations ladies and Pedro on an amazing achievement.

Gators – U23 Male (Ryan Searle, Jared Irvine, Ben Bussenschutt, Henry Jenkin, Sweep Peter Tidswell) With the arrival of 2 new members to the club we were able to form an U23 male crew. The boys took a little while to settle in but soon made a name for themselves pressing the Chiton Rocks crew and beating them often in heats. The Gators made the semi finals at the ASRL and the quarter finals at Aussies. They have two more years together so we are looking forward to some outstanding results in the future. At states they came 3rd in the open male category beating many top crews.

Bucket heads – U19 Male (Mitch Irvine, Lachie Simpson, Ned Abraham, Tom Kuchel, Sweep Dingo Norris). This is a new crew who still have 2 years to go in their age group.

Board Captain Report

Gabe Mangelsdorf

Gunnel Runners – Open/Masters Women (Evette Stock, Amelia Cullen, Natasha Tunney, Georgia Sumner Sweep Paul 'Eddy' Edwards). Competed at ASRL and made the quarter finals

Horse Whackers – Reserve/Masters Male (Lincoln Jeffery, Benn Majeric, Chris Bullen, Gary Irvine, Sweep Chuck 'Dingo' Norris)

Mixed Nuts – Reserve/Masters Male (Frank Hurcum, Peter Kerak, Keith Stevens, Daryl Burrows, Clayton Hayball, Sweep Greg Daw).

Gravy Boat – Reserve Women (Millie Keane, Bella Jose, Lucy Forrest, Aislin Forrest and Gabby Carr, Sweep Dingo Norris)

Crash Test Mummies – Masters Women (Amanda De Ieso, Kirstin Tocker, Sue Higgins, Ursula Simpson, Sweep Dingo Norris)

Old Timers – Masters NGS (Mick Cotter, Michelle Cotter, Chris Maylin, Clayton Hayball, Sweep Greg Daw)

A lot of the crews also participated in the Brighton Jetty classic bringing home some prize money in the process. The club won the inaugural Kevin 'Brakey' Watkins award for the club with the overall accumulated points.

A special thanks to all our sweeps; Peter 'Pedro' Tidswell, Paul 'Eddy' Edwards, Chuck 'Dingo' Norris and the comeback king - Greg Daw. Without them we would not be able to row.

The season ended on a high with Glenelg SLSC being awarded the back-to-back Premier Surf Boat Club at the annual ASRL SA awards night held on the 22nd of April. Without surprise the Under 23 Female Crew, the Grenades, won the Best Performing Crew at Aussies and Best Young Guns Female Crew, and Peter Tidswell was also awarded Sweep of the Year.

We look forward to next season with the possible addition of more crews, both junior and senior exciting times ahead!

Gary Irvine
Boat Captain

The 2022/23 season was a tremendous year for all board paddlers. With the addition of Bec and Rhett the crew was able to achieve amazing results throughout the entirety of the season and finish it off wonderfully at State Titles and Aussie champs. There were strong numbers present at all trainings through winter and summer and it was great to see the lower youth age groups excel beyond their previous years in terms of community and ability.

A big congrats to TD winning the Mal and short open board titles and Amanda Elson winning her board event in Masters. Eloise Merchant, Amanda Elson and Elissa Johnson where unlucky in the states open just missing a medal. A new grouping of S Dalton, D Visockis and A Simpson was valiant in 4th in their age group in Masters.

One of the most notable achievements of the board crew this year was the Youth Young Guns outstanding performance at the Australian titles. A majority of the competitors made individual and team finals and a stellar display of our club's ability came from the under 15 male board team of Tyson Dobie, Jack Travers, and Kai Renfrey finishing 5th in their Aussie final just missing out on a podium position with a tight Finish. At senior state titles Glenelg achieved 10 podium finishes with 4 gold medals. Another outstanding accomplishment.

It was great to see the number of nippers learning board paddling skills whether at nippers or at the training sessions. Many with huge smiles when they caught little runners. I look forward to seeing them in future years. The junior nippers' competitors over states weekend totalled a massive 33 podium finishes in their board events combined across all divisions. With 13 being gold medals, congratulations to all. Overall, our club's board section has continued to hold its spot as one of the strongest in the field and I'm confident we will see even greater results from our ever-growing competitors in the 2023/24 season.

Gabe Mangelsdorf
Board Captain

Swim Section

Daryl Burrows

As a relatively new regular swimmer I was honoured to take on the role as swim captain. I didn't do it alone though and I appreciate the support of everyone that helped out.

As expected, the club swim numbers were highly dependent on weather conditions. On clear, sunny days up to 60 swimmers were in attendance and at times of cool conditions just three or four hearty swimmers braved the water. Robert Koeing (Aussie Bob) however realised that cool conditions were the best time to win the weekly prize. FYI Bob you don't need a degree in Astro-physics to know the odds of 1 in 3 are better than 1 in 60.

The Christmas swim was a massive event with 97 swimmers and an incredible array of prizes. Amazingly out of 97 swimmers only one person successfully negotiated the obviously confusing 'm' shaped course, well done Brenton. Great thinking by Dave Candy who just decided to avoid the traffic and swim his own route.

This season also saw the introduction of a handicapped Christmas distance swim of 1,500m along the beach. The event was well received by those that took part. Congratulations to Ben Warr the inaugural winner. This also led to a distance swimming group, although they only swam a few times, hopefully it will become a regular occurrence next season.

Senior swimming was well attended during summer and autumn and the lead up to proficiency. Attendance at junior swim training was also high over summer and the coaching has been excellent which was reflected in the results this year. Senior attendance over winter is quiet however the

pool provides a great opportunity to maintain fitness, work on technique and keep connected without braving the ocean. Let's try and keep the numbers up all winter so a friendly reminder to all senior bronze holders come along to Westminster on a Monday or Thursday for a free swim.

A special thank you to:

- Dave Candy for all the effort throughout the year preparing interesting and challenging swim programs for the seniors.
- All the people and businesses that donated gifts for the Christmas swim.
- The Junior coaches and leaders for their efforts at trainings.
- All the patrols and patrol captains that assisted setting the course and patrolling the waters during club swims.
- And lastly special thanks to patrol 10 for their quick actions when we had a serious incident after a club swim.

If I have missed anyone my apologies and hopefully you know I appreciate your help.

Well done and thank you to all the swimmers, coaches, supporters and helpers. See you for pool swimming over winter and I look forward to the 23/24 season.

Daryl Burrows

Swim Captain

Gear Steward **Shaun Armstrong**

As always, this report isn't mine alone but, all those who have helped out over the season to make my job once again easier and in some cases even possible. To the 1000s of helpers that chipped in throughout the season, I both applaud and thank you for the efforts in the 22/23 season.

Unfortunately, I can't name everyone here, this report would be pages long, but a complete list can be found towards the back of the annual report. There will however be many names that come up over and over again in other reports that you read. As always, the year began with the annual gear inspection, and I thank Rob and Josh Warne completing the inspection, to ensure we can patrol effectively and efficiently. The spicy end of the season brought several carnivals to Glenelg and we once again proved we are the best club in the State in many things including organising and exacting the best carnivals. Our Patrol Ute supplied by CMI has again been the star of the show towing our Craft to Aussies in Perth this time, not missing a beat. Thank you again to Andrew Travers, Anthony Merchant and Geoff Norris, Jacob Tidswell for towing equipment trailers. The club also purchased a new boat, to support the ever-growing boat section, the U23 girls the epitome of this taking home all the choccys at Aussies. Congratulations again to them and Peter Tidswell.

Once again, the biggest Thankyou has to be given to the members for treating all our assets with so much care, from IRBs to boards, skis and gym gear. Repairs were very minimal this year. Special thanks to everyone who helped in getting craft repaired in my absence. Thank you again to everyone that has helped out this season, I look forward to catching up with everyone over winter.

Shaun Armstrong
Gear Steward

First Aid **Dr Chris Haines**

Although known to most club members already, from a First Aid perspective, the most notable event during the season was the successful resuscitation of club legend Leigh Bowbridge following his collapse immediately after the club swim on Christmas Eve. Early intervention by patrol members Scott and Donna Mansell as well as other members of Patrol 10 resulted in Leigh's quick response to treatment. A huge well done to all of those involved! After a recovery of less than 3 months, Leigh was then able to represent the Club in the Australian Surf Lifesaving Championships. This is testimony to Leigh's determination and overall level of fitness.

This rescue took place during a time when there was an equipment concern dating back to August of last year. It became evident in August/September that defibrillator pads for our two Philips defibrillators were in very short supply. After extensive searching it became clear that this was a worldwide problem. The Club was left with one spare set of pads during the busy Christmas/New Year season. Fortunately, no further rescues necessitating the use of a defibrillator were needed during this time, and it was with great relief that the supply of pads resumed in March this year.

As known by all Patrol members, both our First Aid kits and Oxygen kits are quite old, and the zips on our Oxygen kits are in poor condition. In the coming season we hope to change from our current oxygen cylinders to Inhalo cylinders (which have built in regulators). We're looking for new oxygen kits which will fit these cylinders. In addition, the gear inside the First Aid kits is being reduced to allow easier access to supplies for patrol members.

Finally, thanks to all Patrol Members for their diligence throughout the season and to those who gave me a heads up when gear had been used or when items needed replacement. Please continue to use the whiteboard in the First Aid Room when any gear needs replacement or send me an SMS (number on whiteboard). Thanks also to Rob Warne for assisting with maintenance and procurement and also to both Rob and Josh for helping when needed.

Dr Chris Haines
First Aid Officer

Aussies Championship 2023

Anthony Merchant

The Aussies 2023, Scarborough Beach, Perth,
25th March – 1st April.

Glenelg had one of it's best Aussies Championship this year with Aussie medals and numerous finalists.

The Youth Squad consisting of U13's Elsie Parson, Emi Visicokis, Lachie MacGregor, Jordan Tucker, Hamish Tucker, Jake Potter, Isaac Allan, U14's Astin Rouvray, Axel Tucker, Gus Ganley and Poppy Doyle, U15's Kai Renfrey, Jack Travers, Zac Tucker, Tyson Dobie, Harry Simpson, Ollie Mansell, Eamonn Billing and Antony Baressi (Semaphore) kicked us off over the first Saturday and Sunday.

All performed well but the standout result must go to Elsie Parsons winning gold in the U13 female beach sprint.

Zac Tucker won bronze in U15 male 2km run on Sunday Morning.

Most of the Youth Young Guns made individual and team finals, with U15 board relay team of Tyson Dobie, Jack Travers and Kai Renfrey coming 5th and close to medaling.

Individually Lachie MacGregor making the U13 Male Iron final was a fantastic effort.

Masters took over the next two days with our numbers diminished this year due to injury.

Craig Burton, Mick Billing, Shane Daw, Leigh Bowbridge, Dave Hutchison and Malcolm Stevens made up our Masters Squad with the standout performance being Gold to Craig Burton in the single ski and Hutch Gold in the flags. Malcolm won Bronze in sprints and Leigh 4th in sprints and flags, a great result considering where Leigh has come from less than 3 months ago and very inspiring.

Hutch was inducted into Australian SLSA Masters Hall of Fame at the conclusion of Masters competition.

Opens then took over with our smallest contingency of Eloise Merchant and Lachie Larven on the water and our U23 Female Grenades of Elle Borlase, Madi Fielke, Siobhan Roe and Tilly Macarthy and U23 Male Gators Jarod Irvine, Ben Busenchutt, Henry Jenkins and Ryan Searle. Both crews being swept by Pedro Tidswell.

The Gators made the semi finals, a great result for their first Aussies campaign with the Grenades winning every round, quarter finals, semi finals and final for Gold, completing a fantastic season including representing Australia in the Trans Tasman series.

Special thanks to Andrew Travers for driving the craft trailer to Perth and to Merch for driving the craft trailer home, Geoff "Dingo" Norris and Jacob Tidswell for towing the surf boat over and back. Rhett Collie for coming over to Perth to coach.

Further thanks to Mick Billing, the board and the greater Glenelg SLSC community for funding the week and allowing us to take the club ute.

CMI Toyota for providing the ute and finally all the parents for funding the competitors to compete.

Next year "Aussies" championship will be held in Sunshine Coast in April, 2024 and would love to see as many Glenelg athletes competing.

Anthony Merchant
Competition Officer

Youth Coordinator

Andrew Simpson

Young Guns was established as a development pathway for our graduating nippers, to keep them engaged with the Glenelg surf life saving club and continue to foster their social connections.

Building off previous years, this year we welcomed another large number of new youth to this group. The approach to Young Guns is to allow the group to design their own program & take ownership in the outcome. This began back in October where we ask the group two simple questions;

- What do you want to get from the season?
- What are you willing to give?

This helped the co-ordinators facilitate many great sessions throughout the year, including things like board/ski paddling, running bbq's, and providing water cover for nippers. Two highlights for the group were;

1. the amazing race where four teams raced around Glenelg to undertake various challenges .
2. buddying up with a group of Ukraine refugees to show them basic wading and paddling skills.

The other key aspects to our Youth Group are further developing their life saving skills. This is made possible by many hours devoted by our coaching group, Rhett, Bec, Steve, and Leigh, and our trainers who helped a significant number obtain their SRC and Bronze medallions.

We started with a get together at the Beachhouse which had 20 of our members attend. We also had a very fun session learning to SUP with Nat Gohl on the giant inflatable SUPs.

Great fun was had by all. Some of the Young Guns from this year patrolled at Junior Carnivals providing watercover and helping with our carnival set ups and pack ups.

15 members achieved their SRC and now line up for beach patrols, thanks to our instructors including Amanda De Ieso and Josh Warne.

We have had regular numbers at Saturday fun sessions including board rescue, board and ski training, running ironman and participation in 8@8 carnivals at Christies Beach and Goolwa.

Members will invariably notice the striking green and grey hoodies our group are now wearing everywhere, with big thanks to Garden Needs and Merch for making that possible.

We look forward to providing further social opportunities during the off season and welcoming our outgoing Under 13's to the Young Guns for another fantastic new season in 2023/2024!

Steve, Dobes, Leanne, Annabel, Simmo

Andrew Simpson

Youth Coordinator

Sponsorship

Dan Demaria

The club continues to enjoy strong support from our sponsors and partners.

CMI Toyota have re-newed another 3-year lease of the club surf ute with all lease costs paid by CMI Toyota. We thank Paul and Justine Crawford for their continued support. Video production company Visualizm have been very generous - last season Visualizm produced our 90th Anniversary video as well as a very engaging trailer after a full day video shoot on the beach. This doesn't come cheap and Steve and his crew donated their shooting and production time. This year Visualizm sponsored 60 Tiny Tots rashies and also contributed to our new H3 surf boat. Thank you to Steve and Lauren Deeble for their continued support. Garden Needs is a new sponsor who has also put funds towards our surf boat division as well as sponsoring the Young Guns hoodies - a must-wear item on the Glenelg foreshore. Thank you to Simon Treagus for coming on board with this sponsorship as well as shouting the entire Boat Bar and Juniors BBQ on

one legendary afternoon. Infront were kind enough to sponsor special Juniors T-shirts for the Nipper Nats event in Manly in January and continue to offer board discounts for GSLSC members. Pathways Mortgage and Finance continue to be a club supporter as do Fleurieu Milk Company with supply of delicious flavored milk to our mid-week training Juniors and discounted product to sell at our Junior BBQ. A big thank you to all of the BBQ helpers across the season as well as Tanya Demaria who coordinated them and also stepped in a number of times to serve hungry nippers and parents.

Our front balcony glass sponsors have one more year before CDA renewal next year and we thank Harbour Town Premium Outlets, DESYN Homes, TEL5, Coopers and all other balcony glass sponsors for their continued long-term support.

NOMINATION

- Life Member

Gregory John Daw

INTRODUCTION

It is with great pleasure that we, the undersigned, nominate Gregory John Daw to be considered for election the position of Life Member of the Glenelg Surf Lifesaving Club (GSLSC).

SUPPORTING RATIONALE

We would like to begin with a short summary of Greg's service to our Club, which began 49 years ago, in 1973.

- 580 Patrol Hours (member of 500+ Patrol Club)
- Patrol Vice Captain/Senior Member
- Volunteer Barman for 10 years
- Bar Assistant Manager 2003/04 and 2004/05
- Surf Boat Captain 2008/9 and 2011/12
- Club Captain for one and a half years
- Almost four years as an Office Holder
- Twice winner of the Glen Tidswell Memorial Trophy for the most valuable member of the boat section in 2002/2003 and 2008/2009
- Most Outstanding Member 2010/11
- Winner of the Remeljeje Trophy 2011/12
- Vice President

Greg's many years of service as a volunteer Barman and Assistant Bar Manager attest to his ability to manage, his commitment to service and to his genuine and ongoing interest in caring for the welfare of his Surf Club family. Working behind a bar is the ideal way to keep in contact with a larger cohort of members. It provided a vehicle through which he was able to keep check on members' mental health and then taking action to support people who were in need.

This is an ongoing theme in the way in which Greg operates within our Club. During his association with the Boat Section, 25 years and counting, in his multiple roles as a rower, sweep, coach and captain, Greg has continued to monitor the mental health of his fellow clubbies. Some examples include:

- visiting members who have withdrawn from the club while grieving the loss of loved ones and gently encouraging them back into an environment where they are now consistently supported
- providing friendship to new members who are nervously trying to navigate an unfamiliar environment, even giving up his time to help them move house
- providing jobs at his own workplace for members at times of financial stress
- supporting women to become surf boat rowers, patiently nurturing and supporting their skill development, encouraging them to become risk-takers

as their skills develop but keeping them safe in what can be a dangerous environment

- organising social gatherings so that all members of the boat section feel valued and included

Greg's work in the Boat Section as Boat Captain again demonstrates his management skills. He has:-

- Ensured that the boats and trailers were well maintained, safe to use and passed scrutineering at the beginning of every season.
- Establishing a training timetable that was equitable for all crews.
- Ensuring that boats, tents etc were transported to and from events, often taking on this responsibility himself especially with interstate events.
- Attending GSLSC Beach Committee meetings and ASRLSA meetings to ensure that Glenelg had a voice in decision-making and that we were abreast of any rules changes or new requirements.

Of course, as one would expect, Greg's attention to creating a positive culture in the Boat Section and his management skills flowed on to improvements in achieving competition objectives.

He has achieved the following:-

- Multiple medals in Surf Boats as a Junior
- Multiple medals in Senior Open State Championships
- Multiple medals in Masters State Championships.
- Two Australian Titles Masters Surf Boat medals
- Coaching/Sweeping crews to medals at Senior and Masters State Competitions. (He was named Sweep of the Day at Masters State Titles 2020/21)
- Coaching/Sweeping the crew who won our club's first Open Men's Gold medal
- Sweeping crews in the South Australian State Teams.
- Being a major instigator behind the establishment of an Under 23 competition
- Coaching/Sweeping Glenelg's Under 23 female crew to a gold medal in Senior State competition that led to this crew then going on to represent South Australia in National Competition.

There is no doubt that Greg's service to GSLSC through his work in the Boat Section resulted in *"the maintenance and/or improvement of GSLSC objectives in any or all of the fields of management, competition (and) Member welfare"*. As this Officer in this position, he has also shown that he has provided *"significant and effective service"*.

While many members enjoy the challenge and camaraderie that competition brings all would agree that this is not our core business. Our mission statement declares "our mission is to promote beach safety awareness and professional water lifesaving standards and in doing so prevent injury and loss of life on Glenelg beach." Therefore, it is important for us to illustrate Greg's outstanding service as an active patrol member.

Greg has been an active patrol member since achieving his Surf Rescue Certificate on 11th February, 1978. This is exactly 44 years to the day of the lodgement of this Life Membership Nomination, accruing a total of 580 hours of service between 1985/86 and 2020/21. Of course, after 10 years of service he was well within his rights to invoke the Long Service clause and only patrol for 8 hours per season but Greg remains on the patrol roster, volunteering for a minimum of 27 hours per season. As well as his Bronze Medallion, Greg also has his:-

- ATV Operator Certificate
- IRB Crew certificate
- Train Small groups
- Training Officer Bronze Medallion
- Training Officer IRB
- Silver Medallion IRB

This makes him a highly skilled as well as a highly experienced patrol member and an asset to our club. Not only does he attend his rostered duties, he has always been prepared to assist with providing water cover for long swim special events providing a much needed income for our club.

Michelle Booth (now Cotter) states, "During my time as Vice Captain, Greg was one of the few members that I could rely on to help provide water cover for special events. Often the patrol rostered to provide cover would fall short and we would suddenly be below a safe water cover ratio. I would always ring Greg at short notice and he was there to save the day."

LIFE MEMBER NOMINATION GREG DAW CONTRIBUTIONS TO GLENELG SLSC AND ACHIEVEMENTS

MEMBERSHIP HISTORY

- Joined as a Nipper in 1973
- Active member (with a 5 year gap) for 39 years

CONTRIBUTIONS – PATROLLING

- Surf Rescue Certificate 1235 11/02/1978
- Bronze Medallion SA5802508 18/11/1979
- IRB Driver 2000
- IRB Driver Silver Medallion 788 2002
- IRB Crew 2007
- ATV Operator Induction 2010
- ATV Operator Certificate 2013
- Drive vehicles under operational conditions (PUAVEH001B) 2013
- Patrol Vice Captain/Senior Officer
- Total patrol hours (recorded since 1985 until end of season 2020/21) 580hrs

CONTRIBUTIONS – OFFICER OF THE CLUB

- Boat Captain – 2 years 2003-2005
- Club Captain – 1 1/2 years 2012-2013

CONTRIBUTIONS TO THE WELFARE OF THE MEMBERS

- Boat Sweep Accreditation
- Train Small Groups
- Training Officer Bronze Medallion
- Training Officer IRB
- Water cover for Special events
- Bar Volunteer etc in the old club for 10 years
- Assistant Bar Manager in the old club 3 years
- Support Worker - National IRB Championships 2011
- Support Worker – World Lifesaving Championships 2012
- Support Worker – World Lifesaving Championships 2018
- Coaching/Sweeping boat crews for over 15 years

ACHIEVEMENTS – CLUB AWARDS OF EXCELLENCE

- Most Outstanding Member 2010/11
- Glen Tidswell Memorial Trophy (awarded twice)
(for the most valuable member of the Boat Section)
2002/02 2008/09
- Remeljei Trophy 2011/12

ACHIEVEMENTS – NATIONAL SURFLIFESAVING AWARDS

SISA – Long service Awards

- 10 Year National Service Award 257 2003
- 15 Year National Service Award 150 2003

Training, Assessors and Facilitators Awards

- Numerous Training and Assessment Awards and Australian Quality Training Framework Qualifications

ACHIEVEMENTS – COMPETITIVE SUCCESSES

- Multiple medals in Surf Boats as a Junior Competitor in State Championships
- Multiple medals in Senior Open State Championships
- Multiple medals in Masters State Championships.
- Two Australian Titles Masters Surf Boat medals
- Coaching/Sweeping Glenelg's Under 23 female crew to a gold medal in Senior State competition. This led to the crew then going on to represent South Australia in National Competition.
- Coaching/Sweeping crews to medals at Senior and Masters State Competitions. (Greg was named Sweep of the Day at Masters State Titles 2020/21 where his crew won a Silver medal)

IN CONCLUSION

We believe that we have clearly illustrated that Greg Daw, Vice President, has rendered outstanding service to Glenelg Surf Lifesaving Club. His service as an Officer, primarily as Boat Captain, has been significant and hugely effective. His willingness to accept and act on personal responsibility for the welfare of GSLSC and its members has been and remains constant. The fact that his service has resulted in the improvement of GSLSC objectives cannot be overstated.

We would therefore request that this Nomination for Life Membership be passed to the Life Membership Committee for their deliberation.

Yours sincerely,

Clayton Hayball
Life Member
Proposer

Michael Cotter
Life Member
Seconder

We congratulate Greg Daw on his elevation to life member as voted at the 2022 Annual General Meeting.

Greg is a valued and highly respected member of our club, whose contribution has been significant, vast and varied. Since joining the club in 1973, Greg has patrolled over 575 hours on our beach, 44 years and counting still volunteering his time when he could invoke the long service clause – this is testament to his giving back and is a worthy member of the 500+ Club. Greg has volunteered in numerous roles - including but not limited to beach patrol, water cover,

Training instructor, Surf Boat Captain, volunteer bar worker, IRB driver, patrol captain, club captain, Office Holder. His collective volunteer hours number in the thousands. As a recognition of this level of commitment, Greg was awarded the club's most prestigious honour, the Remelje award, once and the Glen Tidswell Memorial Trophy on two separate occasions, as well as the Most Outstanding Member a remarkable achievement in itself. Greg is also a Vice President of the club until his evaluation to Life Member.

Greg is perhaps most well-known for his 25 plus years association in the boat section. During that time, he has showed strength, commitment and utter determination to, amongst other things, provide support to other members, develop and nurture many new crews into surf boats and a overall positive culture that prevails through the section today. Greg currently sweeps in the boats section helping many crews.

We thank Greg for his ongoing, passionate and unwavering commitment to Glenelg Surf Lifesaving Club over so many years. We welcome him to join esteemed company as a very worthy recipient of the honour of life membership.

NOMINATION

- Life Member

Suzanne Macauley

It is with pleasure, that we, the undersigned nominate Suzanne Macauley to be considered for promotion from the Vice Presidents list, to be awarded a Glenelg Surf Life Saving Club Life Membership.

SUPPORTING RATIONALE

Suzie's considerable and dedicated service to our Club over many years which includes:

ACHIEVEMENTS – PATROLLING

- Suzie has completed 514 patrol hours since obtaining her bronze in 2005.
- A worthy member of the 500 + patrolling club
- Current and active patrolling member completing in Season 21/22 a total 32 patrol hours
- Patrol Captain or Vice-Captain over 11 years
- Junior Water Cover over 7 years
- Carnival Water cover & Special Events Water Cover
- Designed along with Lisa Harvey the Patrol Team tests and Patrol Team Award structure in place today

ACHIEVEMENTS – CURRENT ACTIVE elevated AWARDS

- Advanced Resuscitation Techniques [AID]
- Assessor Bronze Medallion
- Bronze Medallion
- Facilitator Silver Medallion Beach Management
- Training Officer Bronze Medallion

- Training Officer Advanced Resuscitation Techniques [AID]
- Suzie has gained a total **138 awards** since joining Glenelg in 2003.
- Training Assessor (TAF) Preseason Face to Face
- Certificate II in Public Safety

It is an important point that these Active awards are acknowledged, as these particular awards are not held by many members (in any Club) due to the onerous and time-consuming nature of them – Assessor, Facilitator and Training Officer.

ACHIEVEMENTS - CLUB POSITIONS

- 2013/14 Chief Instructor
- 2014/15 Chief Instructor
- 2016/17 Chief Instructor
- 2005 – 2011 Age Group leader and Water Cover earning Suzie the Mayors Trophy in 2011.

ACHIEVEMENTS - CLUB AWARDS OF EXCELLENCE

- Mayors Trophy 2010/11
- Most Outstanding (Open) Club Member 2011/12
- Most Outstanding (Open) Club Member 2012/13
- Patrol Team of the year 2012/13
- Excluding from the other 4 years that her team won the patrol award to avoid any perceived "favouritism" as Suzie and Lisa set the criteria and testing.

ACHIEVEMENTS - NATIONAL SURF LIFE SAVING AWARDS [138 awards]

SLSSA - Service Awards

- 5 years 2010/11
- 10 years 2015/16
- 15 years National Long Service Award 2020/21

SLSSA - Education Awards

- See below extract pages 7 - 12

Training, Assessors and Facilitators Awards (TAF)

- See below extract pages 7 - 12

Australian Quality Training Framework (AQTF)
(Qualification or Unit of Competency)

- See below extract pages 7 - 12

Training and Assessments – number of assessments and proficiencies conducted by Suzie at Glenelg and on behalf of SLSSA for other Clubs:

The quality of training required and the number of hours that the Chief Instructor and the team put into to new awards and proficiencies is staggering. A Bronze award is conducted over a 3-month period, consists of dry and wet work, and includes online and hands on training. A normal schedule is two training sessions per week for 2 hours for dry work and again for wet work. This can average around 30 hours per student for a new award such as a Bronze. When the Chief Instructor is not training, there is an administrative component to organise and record progress, pre-exam tests and adjustment of training where required which can amount up to an additional 10 hours per squad.

As an Assessor, the assessments can take a minimum of 3 hours. The hours are many, not only in terms of actual numbers, but far more importantly, how those hours translate into GSLSC's ability to operate and fulfil its ultimate goal of saving lives.

Suzie also optimises the opportunities for all patrolling members to complete their proficiencies ,by providing flexibility when required, giving up her own time, to conduct proficiencies. These hours are difficult to track and quantify. In addition, trainers are required each season to attend additional training to update on best practice, this season the update for our assessors amounted to 16 hours which Suzie completed.

During her three years as Chief Instructor either directly, under guidance and maintaining co-ordination and administration a total of 299 New Awards and 1095 Proficiencies to a total of 1394 were completed and recorded at Glenelg Surf Life Saving Club.

	2013/14	2014/15	2016/17	TOTAL
New Awards	137	92	70	299
Proficiencies	337	412	346	1095
TOTALS	474	504	416	1394

Additional assistance to the Chief Instructor as a trainer and assisting in other years with proficiencies are not recorded but should not diminish the effort undertaken over a span of 12 years.

Non GSLSC Training Assessments, where Suzie was the assessor at a Club other than Glenelg and she assessed other Clubs training squads completing their assessment test to gain an award such as SRC, ARTC, Silver Medallion, Trainer and Bronze. Numbers provided from SLSSA. (see below extract)

Training Assessor

2010	8	2011	6	2012	13	2013	10
2014	10	2015	12	2016	14	2017	6
2018	6	2019	1	2020	1	2021	1
Total	88						

For Season 21/22 Suzie has assisted the current Chief Instructor, Amanda De Ieso and the training team with the following support with the following details provided by Amanda:

- Bronze number of Bronze Training 21/22 - No groups this season
- Previous seasons a group per season which would total approx. 40 hours just face to face
- Bronze number of Bronze Assessments 21/22 15 hours approx. 3 assessments
- SRC number of SRC Training none this season previous seasons one group a season approx. 30
- hours Plus ARTC/bronze 20 hours a season
- SRC Number of SRC Assessments 6 hours this season previous seasons twice a season 10 hours
- (plus)
- Proficiencies ARTC 25 hours bronze/SRC 15 hours
- ARTC training booked in for October 2022 approx. 15 hours
- And the associated assessments for ARTC approx. further 15 hours
- This (2021/22) season hours total 90 on training and assessments.

Supporting Numbers from Annual Reports and Surf Guard relating to GSLSC members only:

Other considerations;

Suzie's enormous body of work outside the Club includes supporting Surf Life Saving SA in a small team of a Subject Matter Experts who assist SLSSA in creating, updating, and testing policies as they pertain to Patrolling and Patrolling Awards.

Suzie is an active member at GSLSC, patrolling, providing support through training, patrol inspections, and forums called upon by SLSSA or the Club where it is needed, particularly around utilising Suzie's Silver Beach Management Skills, which are extremely useful during rescue and first aid situations.

Suzie's calmness, skillset and maturity during a serious event is highly valued. Suzie is an Outdoor Sport lecturer and brings this same instructional style and skill to the Club. Suzie is valued for her opinions and knowledge, which has resulted in improvements and efficiencies in patrolling group duties, provision and facilitation of practice scenarios and preparation for emergency situations, refining processes and procedures relating to best practice at GSLC.

In conclusion, we refer directly to Clause 5.9 and By Law 6.3 of our Club Constitution, and more specifically to the words "rendered outstanding and /or extraordinary service to GSLC". It cannot be argued that Suzie Macauley's contribution to the club at all levels has been "outstanding and extraordinary", as articulated previously and evidenced by supporting material.

This application for Life Membership is particularly noteworthy, in that, in the years since being appointed to the Vice Presidents List, the number of measurable hours Suzie has contributed to the club in the form of patrolling, training and assessing is outstanding and extra ordinary. In addition, we cannot overlook the number of hours Suzie has devoted to the Club, which are immeasurable, such as mentoring, additional member proficiencies and member welfare.

Finally, we trust the Life Membership Committee will respectfully consider this application, taking into account the extraordinary service that Suzie has given to the GSLSC. This service has directly resulted in significant improvement and change at GSLSC for past, present and future members, a true legacy for our club. Suzie epitomises every quality, and meets all criteria, that, in our view, makes her worthy of the titled Award: "Life Member"

Simon De Jong (Acting House Director)	Appointed 20 August 2021
Rob Warne (Life Saving Manager)	Appointed 8 November 2022

Principal Activities

Our mission is to promote beach safety awareness and professional water lifesaving, prevent injury and loss of life on Glenelg beach.

We accomplish our mission through public education, preventative strategies, training programs, exchange programs, competition and other means.

Strategy for achieving the objectives

Glenelg Surf Life Saving Club Inc. will be proactive in embracing a leadership role in beach and rescue areas so as to provide support to, and be a valued partner to the community and the Club.

Events subsequent to reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affect the operations of the incorporated association, the results of its affairs or the financial position of the incorporated association in future financial years.

This declaration is made in accordance with a resolution of the members of the Club.

On behalf of the Officers

Michael Billing
President

30 June 2023

Leanne Rouvray
Treasurer

30 June 2023

Notes to the financial statements
For the year ended 30 April 2023

1. Summary of Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards -Simplified Disclosures and Interpretations issued by the Australian Accounting Standards Board ('AASB'), South Australian legislation the Associations Incorporation Act 1985.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures to satisfy the requirement of the *Australian Charities and Not-For-Profit Commission Act 2012* and the *Associations Incorporation Act 1985*. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

New or amended Accounting Standards and Interpretations adopted

The incorporated association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the incorporated association.

There were no new standards applicable during the year that had a material effect on the financial statements.

Glenelg Surf Life Saving Club Inc.
Notes to the financial statements
For the year ended 30 April 2023

1. Summary of Significant accounting policies (continued)

i) Revenue recognition

The incorporated association recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the incorporated association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the incorporated association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

(ii) Income tax

The incorporated association is exempt from paying income tax under the provisions of section 50-5 of the *Income Tax Assessment Act 1997*

(iii) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments.

(iv) Trade and other receivables

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(vii) for further discussion on the determination of impairment losses.

Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the Association commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain significant financing component or if the practical expedient was applied as specified in AASB 15: *Revenue from Contracts with Customers*.

Glenelg Surf Life Saving Club Inc.
Notes to the financial statements
For the year ended 30 April 2023

Classification and subsequent measurement

Financial liabilities

Financial liabilities are subsequently measured at:

- amortised costs; or
- fair value through profit or loss.

A financial liability is measured at fair value through profit or loss if the financial liability is:

a contingent consideration of an acquirer in a business combination to which AASB 3: *Business Combinations* applies;

- held for trading; or
- initially designated as at fair value through profit or loss.

All other financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense over its life in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

A financial liability is held for trading if it is:

- incurred for the purpose of repurchasing or repaying in the near term;
- part of a portfolio where there is an actual pattern of short-term profit-taking; or
- a derivative financial instrument (except for a derivative that is in a financial guarantee contract or a derivative that is in effective hedging relationships).

Any gains or losses arising on changes in fair value are recognised in profit or loss to the extent that they are not part of a designated hedging relationship.

Any gains or losses arising on changes in fair value are recognised in profit or loss to the extent that they are not part of a designated hedging relationship.

The change in fair value of the financial liability attributable to changes in the issuer's credit risk is taken to other comprehensive income and is not subsequently reclassified to profit or loss. Instead, it is transferred to retained earnings upon derecognition of the financial liability.

If taking the change in credit risk in other comprehensive income enlarges or creates an accounting mismatch, then these gains or losses should be taken to profit or loss rather than other comprehensive income.

A financial liability cannot be reclassified

Financial assets

Financial assets are subsequently measured at:

- amortised cost;
- fair value through other comprehensive income; or
- fair value through profit or loss

Measurement is on the basis of two primary criteria:

- the contractual cash flow characteristics of the financial asset; and
- the business model for managing the financial assets.

Glenelg Surf Life Saving Club Inc.
Notes to the financial statements
For the year ended 30 April 2023

A financial asset that meets the following conditions is subsequently measured at amortised cost:

- the financial asset is managed solely to collect contractual cash flows; and
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

A financial asset that meets the following conditions is subsequently measured at other comprehensive income:

- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates; and
- the business model for managing the financial asset comprises both contractual cash flows collection and the selling of the financial asset.

By default, all other financial assets that do not meet the measurement conditions of amortised cost and fair value through other comprehensive income are subsequently measured at fair value through profit or loss.

The Association initially designates a financial instrument as measured at fair value through profit or loss if:

- it eliminates or significantly reduces a measurement or recognition inconsistency (often referred to as an "accounting mismatch") that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases;
 - it is in accordance with the documented risk management or investment strategy and information about the groupings is documented appropriately, so the performance of the financial liability that is part of a group of financial liabilities or financial assets can be managed and evaluated consistently on a fair value basis; and
- it is a hybrid contract that contains an embedded derivative that significantly modifies the cash flows otherwise required by the contract.

The initial designation of financial instruments to measure at fair value through profit or loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

Equity instruments

At initial recognition, as long as the equity instrument is not held for trading or not a contingent consideration recognised by an acquirer in a business combination to which AASB 3 applies, the Association made an irrevocable election to measure any subsequent changes in fair value of the equity instruments in other comprehensive income, while the dividend revenue received on underlying equity instruments investment will still be recognised in profit or loss.

Regular way purchases and sales of financial assets are recognised and derecognised at settlement date in accordance with the Association's accounting policy.

Derecognition

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

Derecognition of financial liabilities

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Glenelg Surf Life Saving Club Inc.

Notes to the financial statements

For the year ended 30 April 2023

Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the Association no longer controls the asset (i.e. has no practical ability to make unilateral decision to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of a debt instrument classified as fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investment revaluation reserve is reclassified to profit or loss.

On derecognition of an investment in equity which the Association elected to classify under fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

Impairment

The Association recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income;
- lease receivables;
- contract assets (e.g. amount due from customers under construction contracts);
- loan commitments that are not measured at fair value through profit or loss; and
- financial guarantee contracts that are not measured at fair value through profit or loss.

Loss allowance is not recognised for:

- financial assets measured at fair value through profit or loss; or
- equity instruments measured at fair value through other comprehensive income.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

The Association uses the following approaches to impairment, as applicable under AASB 9: *Financial Instruments*:

- the general approach;
- the simplified approach;
- the purchased or originated credit-impaired approach; and

low credit risk operational simplification.

General approach

Under the general approach, at each reporting period, the Association assesses whether the financial instruments are credit-impaired, and:

- if the credit risk of the financial instrument has increased significantly since initial recognition, the Association measures the loss allowance of the financial instruments at an amount equal to the lifetime expected credit losses; and

Glenelg Surf Life Saving Club Inc.

Notes to the financial statements

For the year ended 30 April 2023

if there is no significant increase in credit risk since initial recognition, the Association measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

Simplified approach

The simplified approach does not require tracking of changes in credit risk at every reporting period, but instead requires the recognition of lifetime expected credit loss at all times.

This approach is applicable to:

- trade receivables; and
- lease receivables.

In measuring the expected credit loss, a provision matrix for trade receivables is used taking into consideration various data to get to an expected credit loss (i.e. diversity of its customer base, appropriate groupings of its historical loss experience, etc).

Purchased or originated credit-impaired approach

For financial assets that are considered to be credit-impaired (not on acquisition or originations), the Association measures any change in its lifetime expected credit loss as the difference between the asset's gross carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. Any adjustment is recognised in profit or loss as an impairment gain or loss.

Evidence of credit impairment includes:

- significant financial difficulty of the issuer or borrower;
- a breach of contract (e.g. default or past due event);
- a lender has granted to the borrower a concession, due to the borrower's financial difficulty, that the lender would not otherwise consider;
- the likelihood that the borrower will enter bankruptcy or other financial reorganisation; and
- the disappearance of an active market for the financial asset because of financial difficulties.

Low credit risk operational simplification approach

If a financial asset is determined to have low credit risk at the initial reporting date, the Association assumes that the credit risk has not increased significantly since initial recognition and, accordingly, can continue to recognise a loss allowance of 12-month expected credit loss.

In order to make such a determination that the financial asset has low credit risk, the Association applies its internal credit risk ratings or other methodologies using a globally comparable definition of low credit risk.

A financial asset is considered to have low credit risk if:

- there is a low risk of default by the borrower;
 - the borrower has a strong capacity to meet its contractual cash flow obligations in the near term;
- and
- adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

A financial asset is not considered to carry low credit risk merely due to existence of collateral, or because a borrower has a lower risk of default than the risk inherent in the financial assets, or relative to the credit risk of the jurisdiction in which it operates.

Recognition of expected credit losses in financial statements

At each reporting date, the Association recognises the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

Glenelg Surf Life Saving Club Inc.
Notes to the financial statements
For the year ended 30 April 2023

Assets measured at fair value through other comprehensive income are recognised at fair value with changes in fair value recognised in other comprehensive income. The amount in relation to change in credit risk is transferred from other comprehensive income to profit or loss at every reporting period.

For financial assets that are unrecognised (e.g. loan commitments yet to be drawn, financial guarantees), a provision for loss allowance is created in the statement of financial position to recognise the loss allowance.

Inventories on hand

Inventories held for sale are measured at the lower of cost and net realisable value. Costs are assigned on the basis of weighted average costs.

Inventories held for distribution are measured at the lower of cost and current replacement cost.

Inventories acquired at no cost or for nominal consideration are measured at cost adjusted, when applicable, for any loss of service potential.

(vi) Property, plant and equipment

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, assets are depreciated on a straight-line basis or diminishing value over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the Depreciation is calculated on a diminishing-value basis to write off the net cost of each item of property, plant and equipment over their expected useful lives as follows:

Surf craft and other club equipment	3-10 years
Furniture, fixtures and equipment	3-5 years
Leasehold improvements	3-10 years
Leased buildings	20 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the incorporated association. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

Plant and equipment are measured on the cost basis less depreciation and any impairment losses.

(vii) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(viii) Trade and other payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(ix) Employee benefits

Short-term employee benefits

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave.

Glenelg Surf Life Saving Club Inc.
Notes to the financial statements
For the year ended 30 April 2023

Other long-term employee benefits

Provision is made for employees' annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements of obligations for other long-term employee benefits for changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

(x) Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Estimation of useful lives of assets

The incorporated association determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the incorporated association based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the incorporated association operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the incorporated association unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

Impairment of non-financial assets

The incorporated association assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the incorporated association and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Employee benefits provision

For the purpose of measurement, AASB 119: Employee Benefits defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related services. As the association expects that all of its employees would use all of their annual leave entitlements earned during a reporting period before 12 months after the end of the reporting period, the association believes that obligations for annual leave entitlements satisfy the definition of short-term employee benefits and, therefore, can be measured at the (undiscounted) amounts expected to be paid to employees when the obligations are settled.

Notes to the financial statements For the year ended 30 April 2023

19. Events after the reporting period

No matter or circumstance has arisen since 30 April 2023 that has significantly affected, or may significantly affect the incorporated association's operations, the results of those operations, or the incorporated association's state of affairs in future financial years.

20. Related party transactions

Key management personnel

Disclosures relating to key management personnel are set out in note 15.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

21. Disclosure of Prior Period Adjustments

There has been prior period errors identified during the current financial year, these errors have been disclosed by retrospectively restating the 2022 comparatives to these financial accounts.

A prior period bank adjustment has been made to reduce the opening Cash At Bank General Account balance by \$27,350.

The errors resulted in trading revenue being overstated by \$25,977 as detailed, and the 2022 prior period comparatives have been adjusted to reflect this.

Officers' Declaration

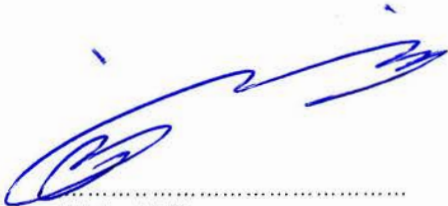

In the opinion of the Board of Management the financial report as set out on pages 3 to 20

- 1) Is in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Act (SA) 1985, and;
 - a) complies with Australian Accounting Standards - Simplified Disclosure; and
 - b) gives a true and fair view of its financial position as at 30 April 2023 and of its performance for the year ended on that date.
- 2) At the date of this statement there are reasonable grounds to believe that the Club is able to pay its debts as and when they fall due.

In accordance with section 35(5) of the Associations Incorporation Act (SA) 1985, the Board of Management hereby states that during the financial year ended 30 April 2023:

- a) No officer of the Club, and no firm of which an officer is a member, and no body corporate in which an officer has a substantial interest; has or become to receive a benefit as a result of a contract between officer, firm or body corporate, and;
- b) No officer of the Club has received directly or indirectly any payment or benefit of a pecuniary value other than those who are employees and remunerated under normal commercial terms.

Signed declaration in accordance with a resolution of the Board of Management under subsection 60.15(2) of the Australian Charities and Not-for-profits Commission Act 2012

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GLENELG SURF LIFE SAVING CLUB INCORPORATED

Opinion

We have audited the financial report, of the Glenelg Surf Life Saving Club ('the Club'), which comprises the Statement of Financial Position as at 30 April 2023, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Members Funds and Statement of Cash Flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies and the Officers' declaration.

In our opinion, the accompanying financial report of the Glenelg Surf Life Saving Club Incorporated, is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*; including:

- (i) giving a true and fair view of the Club's financial position as at 30 April 2023 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Club in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Officers are responsible for the other information. The other information comprises the information in the Officers' Report for the year ended 30 April 2023 but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Advisory. Tax. Audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GLENELG SURF LIFE SAVING CLUB INCORPORATED (CONT)

Other information

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. We have nothing to report in this regard.

Officers' responsibility for the financial report

The Officers of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Act 2012* and is appropriate to meet the needs of the members. The Officers are also responsible for such internal control as they determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Officers are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Officer either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.

Advisory. Tax. Audit.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF GLENELG SURF LIFE SAVING CLUB INCORPORATED (CONT)**

Auditor's responsibility for the audit of the financial report (cont)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of the Officers' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
